

REMARKS

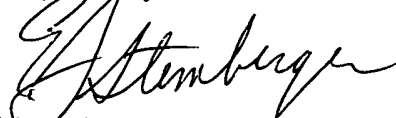

Reconsideration and allowance are respectfully requested. Claim 2 has been amended. Claims 3-5 have been cancelled. Claim 52 has been added. Thus, claims 2, 35-42 and 44-52 are pending.

The Examiner indicated that claim 5 contains allowable subject matter. To place this application in condition for allowance expeditiously, the features of claim 5 and intervening claims 3 and 4 have been incorporated into independent claim 2.

Claim 52 has been added to depend from claim 2 and recites that a pair of U-shaped members are provided on each side of the bottom wall structure.

Since the remaining claims depend ultimately from claim 2, it is submitted that this application is in condition for allowance and a Notice to that effect is earnestly solicited.

Respectfully submitted,

Edward J. Stemberger
